EXCLUSIVE LUXURY VILLA ON THE COSTA DEL SOL Three unique villas built on a single floor, each with its own landscaped garden and ecological vegetable garden of 36 m<sup>2</sup>. Spacious terraces, garden areas with lawns with automatic irrigation with diffusers, swimming pool with saline chlorination, and chill-out area with winter fire. They have an underground garage and a large basement that can be personalised to the taste and lifestyle of each family. Each villa will be equipped with the most advanced technologies (aerothermics, LED lighting, home automation). All this allows us to achieve a comfortable, modern and efficient home, a 21st century home. The combination of natural colours and the use...(Ask for More Details!)
