We are proud to present our new luxury and modern villa with sea views. Located in a prestigious and quiet area of Benissa, this impressive villa with modern architecture offers views of the Mediterranean Sea. With high quality living space, the property becomes a real haven for those looking for exclusivity and comfort in one of the most desirable locations on the Costa Blanca. The villa has five spacious bedrooms, each with its own bathroom, giving a total of five bathrooms plus a guest toilet, all designed in a modern style. The layout of the rooms has been carefully considered to make the most of natural light and views....(Ask for More Details!)
