Unique spacious penthouse for sale in the beautiful Andalusian urbanisation Puebla Lucia in the heart of Fuengirola. This property consists of four bedrooms, two bathrooms, a fully fitted kitchen and a spacious size living room with a fire place and a dining area. The living room has a south orientation and is very bright with various windows and sliding doors towards the terraces. There are two spacious terraces, one of them has a south-east orientation and on the other terrace you can enjoy panoramic views, the afternoon and evening sun, ideal for having dinners and barbecues. As a property owner you have access to three communal Mediterranean gardens with swimming...(Ask for More Details!)
